

WEATHER PROTOCOL

In the event of inclement weather conditions, the Lafayette Family YMCA will not hold practices or games in severe downpours, lightning.

The temperatures below 50 with drizzle will also call for a re-scheduling of practice or game.

We will practice and hold games in light drizzles and above 50, so we are asking parents to be the best judge for your child and that even if we do hold the event you are not required to make your child attend.

474-3448

If you call the YMCA and it is a practice, please phone *no earlier* than 4:30 pm
a game, please phone 1/2 hour before your game.

If we cancel, the first games we cancel all games. Every attempt will be made to make up all missed practices and games.

Also, you may check this web-site for weather information, and if you do not find it posted please, follow the above guidelines for phoning the YMCA.

Thank you in advance for your patience and understanding.
